Churchwide Grant Program

Thrivent Financial for Lutherans Churchwide Grant Program provides support to eligible national Lutheran church body offices to pursue general and extraordinary projects that impact the outreach mission and ministry of the church as well as fund national events sponsored by the church body.

Thrivent Financial emphasizes grassroots involvement and resource distribution. Therefore, church bodies are strongly encouraged to use Churchwide Grant funds to develop projects that impact and support the outreach mission, health and vitality of local congregations.

Please note - National church body offices manage and direct funding from this grant program. Individual congregations may not apply to the Thrivent Financial for Lutherans Foundation for this funding.

The Thrivent Financial for Lutherans Foundation is a private foundation funded by Thrivent Financial for Lutherans. As a 501(c)(3) organization with its own board of trustees, the foundation is organized and operated exclusively for charitable, religious, scientific, literary and educational purposes and makes grants and gifts to 501(c)(3) exempt organizations. The Foundation does not provide grants to individuals.

The Lutheran Grant Program exists to support our Lutheran community by supporting projects/programs that.

- Provide a unique opportunity to benefit Lutheran institutions and organizations, and
- Focus on issues based on the interests and needs of the Lutheran community

Specifically, the charitable interests reflected through this grant program include

- Stewardship, volunteerism and charitable fund-raising
- Church worker wellness and leadership development

Funding of these grants is provided by the Thrivent Financial for Lutherans Foundation (see the sidebar below). All grants are made at the sole discretion of the foundation and the foundation may make exceptions in its granting and/or designate a specific cause or emphasis for more focused granting. A large number of grant requests are received each year through the Lutheran Grant Program. Unfortunately, the foundation cannot fund all of the many worthwhile proposals that are submitted.

To help you learn more about the program and walk you through the request process, this document includes

- Specific guidelines and requirements of this program in a question-and-answer format
- Grant Proposal requirements and hints/tips

Questions?

If you have any questions about the program, please call 1-800-236-3736 or send an email to foundation@thrivent.com.

What is the Thrivent Financial for Lutherans Foundation?

Founded in 1982, the Thrivent Financial for Lutherans Foundation operates exclusively for charitable, educational and religious purposes to help improve the health and vitality of Thrivent Financial's key communities—the Lutheran community, the Fox Cities, Wisconsin and Twin Cities, Minnesota.

Grants are provided for projects and missions that reflect Thrivent Financial's charitable interests.

Mission

The foundation will operate exclusively for charitable, educational, and religious purposes to help improve the health and vitality of Thrivent Financial's key communities.

Vision

Thrivent Financial for Lutherans Foundation grant programs will reflect the charitable interests of Thrivent Financial, its members, workforce, and the needs of Thrivent Financial's key communities.

Program guidelines and requirements

Who is eligible for grants through this program?

- Lutheran nonprofit organizations that are exempt from federal income tax under section 501(c)(3) of the IRS Code
- Lutheran judicatories, congregations and some inter-Lutheran entities which are considered integrated auxiliaries of the church ¹

Lutheran church bodies, private foundations and individuals are **NOT** eligible for grants through this program

What determines if an organization is Lutheran?

The Lutheran identity of an organization is determined by at least one of the following criteria.

- "Lutheran" appears in the name
- The mission statement references a Lutheran connection
- The by-laws of the organization stipulate that a majority of the governing board are "Lutheran"

What types of projects are not funded through the Lutheran Grant Program?

- Ordinary and ongoing program or organizational operating expenses
- Financial subsidy for congregations or other organizations
- Lobbying or political activity of any kind
- Major capital projects
- Debt reduction or operating deficits.

Because the Thrivent Financial for Lutherans Foundation does not represent the Lutheran church, the board of trustees chooses not to take stands or support organizational missions related to political, moral, theological and doctrinal issues that tend to be divisive within the Lutheran community.

What types of grants are awarded through the Lutheran Grant Program?

- **Conventional Grant** - the award and disbursement of charitable funds for a project
- **Challenge or Matching Grant** – instead of providing a grant amount outright, these types of grants have an optional condition that uses the potential of grant funding as motivation to "challenge" donors to help attain a significant funding goal
 - A **challenge grant** is a capped grant that is awarded only if the challenge target is achieved within a specified period of time
 - A **matching grant** is a capped grant that will be paid as donor funds are matched 1:1 or some other prescribed supplementary basis.

¹ An integrated auxiliary of a church means an organization is described in sections 501(c)(3) and 509(a)(1), (2), or (3) of the Internal Revenue Code, affiliated with a church or a convention or association of churches; and internally supported.

Is there a maximum project length?

Grant projects may not exceed three years

Is there a minimum or maximum amount of grant funds?

The minimum grant amount is \$250. There is no set maximum grant amount, however, the grant cannot exceed the amount remaining in the budget for the Lutheran Grant Program.

What are the deadlines for submitting grant proposals?

Lutheran Grant Program proposals may be submitted at any time during the year:

- Grant proposals of less than \$25,000 are reviewed by foundation staff and decisions will be communicated within 30 days of receiving the proposal
- Grant proposals of \$25,000 or more are reviewed by the grants committee, which meets every two months. Decisions made by the grants committee will be communicated within 15 days of their meeting.

The schedule below shows when proposals must be received to be reviewed by the grants committee at its meetings. This provides sufficient staff time to evaluate and develop a case summary for the committee.

Grant requests received after the dates noted below will be reviewed by the grants committee at their next meeting (e.g., a request received on Feb. 27 will be reviewed in May).

IMPORTANT. To be good stewards of the funds available through the program, be aware that large grant requests require more time to complete the due diligence necessary to make a decision. To ensure that the grants committee's review of your proposal fits with your project timeline, we recommend that larger grant proposals be presented to the Thrivent Financial for Lutherans Foundation **at least 6 months prior to the start of the project.** Please contact the Thrivent Financial for Lutherans Foundation if you are not sure how much time in advance you should submit your proposal.

Charitable Gifting Initiative

Helping Individuals and Organizations Through Giving Tools and Services

Introduction

Loren Meade, in his book *Financial Meltdown in the Mainline*, suggests that the familiar forms of charitable gifting that have supported Lutheran churches, institutions and organizations through the years are facing unprecedented challenges. There is a growing concern for the decreasing stewardship and charitable mindset among Lutherans. It is, therefore, increasingly important to educate Lutherans about charitable gifting and motivate them to plan ahead.

Why people give

The main reason people make charitable gifts that benefit an organization is to support their personal mission. Lutherans have provided billions of dollars in support of institutions and organizations over the years. Unfortunately, most individuals are unaware of the variety of avenues for making donations that could provide even greater benefits to the donor, as well as the Lutheran organizations they support.

In most cases, individuals make charitable gifts not for their own benefit, but for the benefit of a specific organization. However, when Lutherans become familiar with the benefits related to charitable gifting, they can enhance the effectiveness of their gifts and decrease their cost of giving, either during their lifetime or through their estate. In addition, knowing and understanding the rules can help individuals avoid unexpected or adverse tax consequences, thereby preserving the spirit of goodwill and commitment that is the true basis of one's charitable giving.

Charitable gifting options

There are many charitable gifting options available to maximize one's charitable gift. Some strategies are simple; others require the assistance of financial service, tax and legal professionals. To enhance the benefits of charitable giving, individuals should consider all of their alternatives, including traditional gifts of cash. Individuals also may want to consider donating different assets or making a gift in a different form that may allow them to:

- Achieve higher current income tax benefits.
- Obtain estate tax deductions.
- Give to a charity while providing for themselves or their heirs.

What is the Thrivent Financial for Lutherans Foundation?

Founded in 1982, the Thrivent Financial for Lutherans Foundation operates exclusively for charitable, educational and religious purposes to help improve the health and vitality of Thrivent Financial's key communities—the Lutheran community, the Fox Cities, Wisconsin, and the Twin Cities, Minnesota.

Grants are provided for projects and missions that reflect Thrivent Financial's charitable interests.

Mission

The Foundation will operate exclusively for charitable, educational, and religious purposes to help improve the health and vitality of Thrivent Financial's key communities.

Vision

Thrivent Financial for Lutherans Foundation grant programs will reflect the charitable interests of Thrivent Financial, its members, its workforce, and the needs of Thrivent Financial's key communities.

Goals of the Charitable Gifting Initiative

The overarching goals of the Charitable Gifting Initiative are to:

- Educate and motivate individuals regarding charitable gifting options; and to
- Generate new gifts (immediate or deferred revenue) benefiting Lutheran institutions and organizations through giving options, such as:
 - Will or trust bequest
 - Beneficiary designation gift
 - Life insurance gift
 - Investment gift
 - Gift annuity
 - Zero-estate-tax gift
 - Traditional IRA gift
 - Donor-advised fund
 - Charitable remainder trust

Focus

Grant requestors are invited to develop projects that.

- Provide individuals with practical and personalized one-on-one opportunities to learn and respond to charitable gifting options.
- Educate and equip church leaders with new knowledge, collaboration skills, and techniques to support and open charitable gifting doors among Lutherans and others.
- Increase the number of individuals making charitable gifts.
- Increase the number and dollar amount of charitable gifts.

Eligibility

The following Lutheran institutions and organizations are eligible to apply for a grant:

- Congregations.
- Regional divisions of the large Lutheran church bodies (ELCA synods, LCMS and WELS districts).
- Small church bodies that have fewer than 100,000 baptized members.
- High schools, colleges, universities and seminaries.
- Lutheran independent organizations and institutions that are not governed by the national organized church.

All requestors must be: (1) Lutheran nonprofit organizations that are exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code; and (2) public charities as described in section 509(a) of the Internal Revenue Code. Private foundations and public charities that are exempt from private foundation status as Type III supporting organizations under section 509(a)(3) that are not "functionally integrated" are not eligible for grants.

Requestors must provide verification of eligibility acceptable to the Foundation, including an IRS ruling or determination letter. If the requestor has not received an IRS ruling or determination letter, substitute documentation acceptable to the Foundation verifying exemption under section 501(c)(3) and section 509(a) public charity category may be required to verify eligibility.

The Lutheran identity of an organization is determined by at least one of the following criteria:

- "Lutheran" appears in the name.
- The mission statement references a Lutheran connection.
- The by-laws of the organization stipulate that a majority of the governing board are "Lutheran."

Grant requestors must also consult with a representative from a Lutheran foundation or financial services organization in offering charitable tools, solutions and/or services to individuals

NOTE: Applications indicating consultations with Thrivent Financial for Lutherans financial services representatives or agents will not be favored over other grant requests.

Lutheran Grant Initiative Provisions

Competitive grant opportunity

This grant initiative is a competitive grant opportunity. Not all grant proposals submitted will be approved.

The postmark deadline for grant proposals is Aug. 15, 2007.

Grant amounts

Minimum grant amount is \$5,000, with a maximum of either \$50,000 or \$100,000.

Eligible up to \$50,000:

- Congregations of less than 1,000 baptized members.*
- Organizations with an annual operating budget under \$2 million.*

*If partnering with another eligible organization, the maximum request is \$100,000. A representative of each partnering organization needs to be involved in planning the project.

Eligible up to \$100,000:

- Congregations of 1,000 or more baptized members.
- Organizations with an annual operating budget of \$2 million or more.

2005 and 2006 grant recipients

Recipients and partnering recipients of 2005 or 2006 Charitable Gifting Initiative grants are not eligible to submit a grant proposal in 2007.

Examples of Projects This Grant Initiative Will and Will Not Fund

These examples are for reference only. You are strongly encouraged to develop your own unique, meaningful project.

Examples of Projects This Grant Initiative Will Fund

- A cluster of congregations with elementary schools join together to initiate a staffed fund-raising appeal. The objective is to permanently endow and support their athletic conference, enabling children to participate in a variety of sporting events. The annual earnings from the endowment would support administrative costs, sport officials' fees, rental and equipment fees, etc.
- A high school partners with member congregations within the high school association to establish a fund for continuing education for their faculty. Each congregation identifies a leader to be trained in charitable giving concepts so they can identify and encourage potential donors.
- A judicatory conducts a series of local educational seminars for congregational leaders. The seminars teach and motivate leaders to implement a charitable gift campaign within the congregation to help meet general or specific ministry needs. The congregational leaders are challenged and commissioned to plan, strategize and implement a charitable gifting appeal that will reap a preset total goal of immediate and deferred donations received from members.
- A judicatory, along with the church body foundation, partners with a local Lutheran camp to raise funds to establish and build a "campership" endowment for children from low-income families to attend summer camp.
- A college initiates a special funding appeal to endow a professor's chair for service learning within the department of education. This enables students training to be teachers to experience and learn the value of service learning in their own lives—and in the lives of their future students.
- A Lutheran long-term care institution increases its fund-raising appeal to enhance and expand its off-site assisted-living chaplaincy and care programs.

Types of Project Activities This Grant Initiative Will Not Fund

- Grant funds may not be used as payment toward financial product premiums, consultant fees or other costs related to a financial product or charitable gifting solution.
- Capital costs involving the purchase of major equipment and furnishings, and major facility construction or renovation.
- Existing or established programs or projects. Grant funds will not be provided as retroactive payment for programs and/or projects that have already begun. **Note:** Expansion or enhancements of existing programs or projects may be considered if the project request clearly identifies how the program/project is being taken to the next level.
- Programs or projects sponsored by foreign agencies or institutions. The institution or organization receiving the funds must be based in the United States and primarily responsible for implementing the project.
- Lobbying or political activity of any kind.
- Financial subsidy for a congregation or other organization.
- Ordinary and ongoing program or operating expenses.
- Debt reduction or operating deficits.
- Re-granting the grant to third party groups.
- Anniversary events, contests, memorials or tributes.

Since the Thrivent Financial for Lutherans Foundation does not represent the Lutheran church, the board of trustees chooses not to take stands or support organizational missions related to political, moral, theological and doctrinal issues that tend to be divisive within the Lutheran community. To ensure that we avoid potentially divisive issues, the Foundation makes a strong effort to maintain its neutral position within the Lutheran community. As a result, the Foundation will decline grant proposals from organizations that espouse sensitive political, moral, theological or doctrinal positions.

Complete the Charitable Gifting Initiative Checklist, which is included on our Web site, and send it along with your mailing. This checklist helps ensure that **All** required enclosures are submitted.

Proposal cover letter

A one to two page cover letter written by the chief staff officer or the project director on official letterhead is required. This letter should be the "executive summary" of your proposal and provide the reader with a snapshot of the grant proposal.

The cover letter should be outlined as follows:

- First paragraph: Include the title of the project and the amount of your funding request.
- Second section: Briefly identify the need and the uniqueness of the problem or opportunity.
- Third section: Briefly describe the solution (project) that you are proposing.
- Fourth section: Briefly explain why you feel your

organization is positioned well and has the capacity to carry out the proposed project. If the grant proposal is being sponsored by a coalition of Lutheran organizations, please explain the advantages of the partnership and the financial buy-in of each partner.

- Final paragraph: Concluding statement.

Completing the Charitable Gifting Initiative Application

Grant Requestor Summary (page 1)

The Grant Requestor Information Summary must be fully completed. Original signatures are required.

Grant Proposal Narrative (pages 2-4)

The Grant Proposal Narrative is the most important section of your proposal. This is your opportunity to share details about your project's uniqueness. Be sure to document clear and quantifiable results. For each result, you will need to include your rationale for setting the goal, what activities will help you achieve your goal, and what method or tool you will use to assess the effectiveness and results of your activities.

Budget Information (pages 5-6)

The project information section provides a picture of your grant proposal in words. The budget information further refines that picture, but with dollars. The budget summary should categorically list the following:

- **Income:** It is an expectation that requestor organization(s) will contribute or generate 25% of the grant needed to conduct and complete the project.

For example, if you submit a grant proposal with a funding request of \$50,000, your organization must contribute or generate a minimum of \$12,500 in cash resources to support the project. We encourage you to contribute as much as possible toward your project. Also, we encourage you to find other partners and explore additional funding sources that will contribute to the income revenues of your project budget. List the contributions from each partner separately.

- **Expenses:** As you prepare to estimate your expenses, review your project plan and expense worksheets, and consider all of the personnel and non-personnel items related to the project plan. Be sure to list not only new costs that will be incurred, but also any ongoing expenses that will be proportionately allocated to the project.

- **In-kind support:** In-kind support is the contribution of equipment, materials, time, or administrative and support services for which the requestor organization is willing to contribute and has determined a monetary value for its use.

Typically, these costs are not directly attributable to the project, but can be allocated to it based on the idea that the project should bear some of the costs of the organization. For the purposes of your grant proposal, in-kind costs are acknowledged, but are not included in the grant proposal balance sheet or budget. In-kind costs will not be considered as part of the organization's 25% contribution to help fund the project.

- **Budget narrative (optional):** The budget narrative section is used to explain any unusual items in the budget. You can create footnote-style numbers on the line items in the budget keyed to numbered explanations. Or, if an extensive or more general explanation is required, you can structure the budget narrative as straight text. Do not include basic narrative about the project or your organization in the budget narrative.

Partner requestor information (page 7)

If a coalition or partnership has been formed, complete the Partner Requestor form. Complete one section for each co-sponsor. Feel free to photocopy the form if more than three co-sponsors are involved in the project. Note: This partnership is a relationship other than the required consultation with a Lutheran foundation or financial services organization providing charitable gifting tools expertise.

Grant Review Process

A grant manager will conduct a preliminary eligibility and project screening, checking to make sure that all required information has been received.

If the grant manager determines that the requestor and the project are eligible, copies of your cover letter and proposal will be distributed to an inter-Lutheran grants committee with representation from a cross-section of Lutheran affinity groups and Thrivent Financial for Lutherans staff, who will review and make recommendations about the grant proposals.

Decisions on approved and denied grants will be announced by the middle of December 2007. No phone calls, please.

Moving forward

If your grant proposal is approved:

- You may begin the project immediately upon notification.
- The grant will be awarded as one lump sum and delivered by a representative of the local Thrivent Financial for Lutherans regional financial office (RFO).
- Grant funds may only be used for the purposes outlined in the proposal and may not be diverted to other organizational programs or projects
- The grant requestor is solely responsible for the expenditure of funds and for maintaining financial records consistent with generally accepted accounting practices. The financial records of the project are subject to review and audit at any time during or following the project.
- All requestor-promised funding should be applied to the project first.
- Any unused grant funds designated for the proposed project are to be returned to the Thrivent Financial for Lutherans Foundation.
- Grants are made with the understanding that the Thrivent Financial for Lutherans Foundation has no obligation to provide additional or supplementary grant support to the recipient during the project or at any time in the future.
- Grant recipients are obligated to cooperate with Thrivent Financial for Lutherans Foundation researchers in the evaluation of the program. This includes, but is not limited to, reporting every six months and at the end of the two-year initiative cycle.
- If your organization is awarded a grant through this charitable gifting initiative, providing prominent public acknowledgement of the grant from the Thrivent Financial for Lutherans Foundation is required.

Minnesota Common Grant Application Form

Revised December 2000

Dear Nonprofit Colleague

We are pleased to introduce an updated version of the Minnesota Common Grant Application form. Minnesota grantmakers developed this form to make the grantseeking process simpler and more efficient for nonprofits. For ease of use and to eliminate unnecessary duplication of work, you may reproduce any part of the form you find helpful including the COVER SHEET and BUDGET forms.

Keep in mind that every grantmaker has different guidelines and priorities, as well as different deadlines and timetables. Before submitting this application to a potential funder, it is very important that you check to see whether your project or program matches their published interests. Any funder that has agreed to accept this form may request additional information as needed.

STRATEGIES FOR SUCCESSFUL GRANTSEEKING

1. **Do your research** to determine whether the foundations' and corporations' goals and objectives for grantmaking are consistent with your type of grant request.
2. After you do the research, find out the preferred method of contact for the grantmaker, and contact the grantmaker to secure their specific grantmaking guidelines. Many grantmakers generally like to have initial contact with you before receiving a written proposal.
3. Include a cover letter with each proposal that introduces your organization and your proposal, and makes a strategic link between your proposal and the funder's mission and grantmaking interests.
4. Type and single-space all proposals.
5. Answer all the questions in the order listed.
6. Submit the number of copies each grantmaker requests according to their guidelines.
7. Do not include any materials other than those specifically requested at this time.

RESOURCES

- Call, write or check the Website of each grantmaker to obtain a copy of their funding guidelines (for a list of Minnesota grantmaker sites, visit MCF's Web site at www.mcf.org, select "Links of Interest").
- Use MCF's *Guide to Minnesota Grantmakers* and other directories listing foundations, interests and processes.
- Visit a Foundation Center Collection Library in Minneapolis, St. Paul, Fargo, Duluth, Rochester or Marshall-SW State.

For a list of grantmakers that accept the Minnesota Common Grant Application Form, or to download the Form, visit MCF's Web site at www.mcf.org/mcf/grant/applicat.htm

The Foundation will contribute (match) dollar for dollar employee donations to eligible organizations. Your contribution must be at least \$25 to be matched. Contributions can be made to one or more eligible recipient organizations as often as desired during the year, up to the employee's gift matching maximum. If you currently serve on the governing board of the organization receiving your contribution, the Foundation's match will be doubled up to the employee's gift matching maximum. For example, if you donate \$50, the Foundation will contribute \$100.

Nature of the Gift

Your contribution must be a personal gift actually paid (not pledged) to an eligible recipient organization. It can be cash, securities having monetary values that are readily determined, or premiums paid on absolutely assigned AAL, LB or Thrivent Financial life or annuity contracts. Premiums should be made payable to the organization receiving the gift. The organization will send the premiums to Thrivent Financial for Lutherans.

Eligible Organizations

To be eligible, organizations must be United States charitable, religious, or educational organizations that are tax-exempt under section 501(c)(3) of the Internal Revenue Service Code and not private foundations or Type III supporting organizations that are not functionally integrated.

What is Not Eligible

- Gifts made to churches, political groups, and public preschools, public elementary schools, and public secondary schools
- Tuition fees, loan repayment, and payments in lieu of tuition
- Dues and subscription fees for service
- Membership fees
- Contributions to a donor advised fund or family fund
- Grouped or pooled donations (e.g. contributions made by a group of employees or other person and claimed as one gift from a single donor)

The Foundation may decline matching grant requests from organizations that espouse controversial political, theological/doctrinal, or morally sensitive positions, or that are inconsistent with the Foundation's charitable purpose, or for any other reason at its discretion.

There is a \$20,000 maximum limit that any one organization may receive in matching gifts in a calendar year. If your gift is not matched by the program, you and the organization that received the gift will be notified.

Administration

Recipient organizations must have 2007 gifts postmarked to Foundation Employee Gift Matching by **Jan. 12, 2008**. If you have questions regarding the Foundation Employee Gift-Matching Program, call Corporate Relations at 800-847-4836, ext. 34152.
